FUNCTIONS

With the proclamation of Trade Marks Ordinance, 2001, the Trade Marks Registry has obtained another job of making mass mindfulness about the significance of Intellectual Property Rights. Notwithstanding its conventional job of enlisting brand names, it has begun convincing business visionaries to look for security of their exchange and administrations checks with the goal that they could set up their business on reasonable practices. In this association, a different assistance line with proficient authorities has been kept up at the workplace of TMR, Karachi, Regional Office, Lahore and IPO-HQs, Islamabad.

1. Front Desk

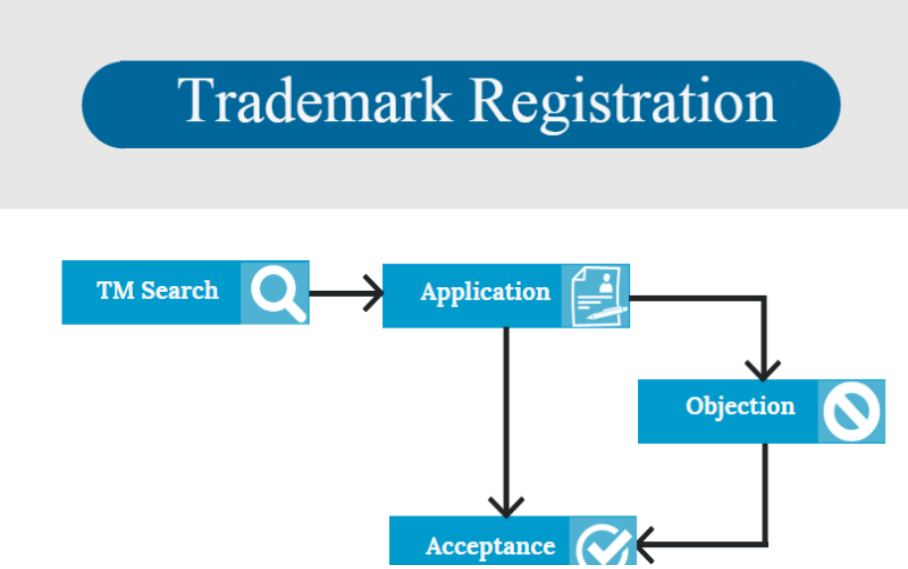
The front counters are built up in Trade Marks Registry, Karachi, Regional Office, Lahore and IPO-HQs, Islamabad. The applications and important records are gotten and applications numbers gave on the spot.

2. Information Capture Section

In the wake of accepting applications for the enlistment of brand names and administration denotes, this segment changes over the data of the application into a digitalize structure and issues an affirmation receipt. It likewise does minor typographical corrections on solicitation of the candidate.

3. Assessment Section

Attributable to countless applications got, this area is separated into eight sub-areas. Each sub-area has been assigned determined number of classes of merchandise and ventures for assessment. These sub-areas look at exchange and administration marks application in the light of Trade Marks Ordinance, 2001. Any contradiction found in the application is passed on to the candidate with the solicitation to make it agreeable with the Ordinance. The ensuing revision in the application is made through TM-16 with determined measure of expense. In the event that the application doesn't repudiate the Ordinance, it is acknowledged by the Registrar and is sent to the Journal area.



4. Diary Section

The TMR has kept up this segment for the distribution of Trademarks Journal. The Section promotes every acknowledged application in the Trademark Journal for open mindfulness just as to welcome restriction, by abused gatherings before the last enrollment of an imprint.

5. Restriction Section

Restriction Section manages resistances documented against an exchange mark distributed in its Journal. A time span of two months is given for the receipt of restriction to an imprint, assuming any. The resistances are gotten in an endorsed TM-5 Form with a predefined expense. These resistances are chosen by Registrar of Trademarks subsequent to hearing the two players. On the off chance that, adversary fulfills the Registrar the brand name application will be relinquished else it continue for enrollment.

6. Enlistment Section

After distribution of the imprint if there is no restriction, the imprint is suggested for enlistment. On the off chance that, rival was neglected to fulfill the Registrar. This segment educates the candidate/delegate to present a recommended charge to get the enlistment declaration. In the wake of accepting the charge, an enrollment declaration is given for a long time length. In the event that the candidate neglects to present the charge, an update is given to do likewise. Be that as it may if the enrollment expense isn't presented, the application is considered as deserted by the Registrar Trade Marks Registry.

7. Post Registration Section

After the enrollment of an imprint, every resulting change for example (change of address, change of possession) corrections, exchanges and related issues are taken care of by the Post Registration Section.

8. Reestablishment Section

An enrolled brand name is legitimate for a time frame of 10 years. Thereafter, it should be restored for an additional 10 years. This area takes care of the issues of recharging of imprints like implying the candidate for restoration of use. In the wake of accepting an endorsed expense on TM-12, Renewal Section gives a Renewal Certificate for an additional 10 years’ time-span.

9. Record Section

This Section keeps up the physical record of documents and issue records to various segments for preparing the candidate's solicitation for example post Registration area, Renewal Section and Legal Section and so on and after finish of handling, the documents returned back to Record Section.

10. Legitimate Section
